In the near future you will embark on an exciting Dream Flight Adventures mission. It is a great honor to serve with the *Infinity Knights*, and every station on your ship is important. Review the ship's stations at [www.DreamFlightAdventures.com/simulators/](http://www.DreamFlightAdventures.com/simulators/). Pay attention to how your crew must work together and think about the stations that interest you most.

## Mission Debrief Class Discussion Guide

Your students will encounter a wide variety of educational topics in their Dream Flight Adventures mission. After the mission is complete, use this guide to lead your students in a class discussion to explore these topics in more depth.

Consider dividing your students into small groups to discuss each question and then share their group's opinion with the entire class. Be sure to let every student's voice be heard. Dream Flight Adventure missions are multi-faceted, and each student is exposed to a slightly different part of the story. Let every student share their thoughts and experiences so the entire group can benefit.

Suggested thought-provoking questions for *Maelstrom* are:

What role do governments play in safeguarding the interests of all their citizens?

How has water impacted human civilization throughout history?

Similarly, what impact have humans had on water throughout history?

How has water influenced culture and the arts?

In what ways can water be helpful? In what ways can it be harmful?

If you were a member of the Peponi Grand Council and there wasn't enough water for all the groups that needed it, how would you allocate the water, and why?

If you could do the mission again, what would you do differently?

How do you relate to the characters, events, or issues that you encountered during the mission?

What parts of the mission were the most challenging?

What new things did you learn during the experience?

Be creative and draw upon any type of multimedia to create your project. Possible examples include posters, collages, short stories, PowerPoint presentations, dioramas, plays, podcasts, animations, videos, music, or comic books.

In your project, be sure to address the following questions:

What happened during your mission? Summarize the events.

What was your responsibility?

What did you do in your mission? What were the results?

If you could do the mission over again, what would you do differently?

How do you relate to the characters, events, or issues that you encountered during the mission?

What parts of the mission were the most challenging?

What parts of the mission were the most exciting?

What new things did you learn during the experience?

Did the mission change the way you think about anything? If so, what, and how has your perspective changed?

Be prepared to share your project with your peers and to describe why you chose the form of multimedia you did.
